Welcome to the fourth issue of the Frontline Scoop!

We hope you all had a wonderful start to the new year.

In the month of Jan. Director Chuck Kasting and Assistant Director Tyler Juden made a trip to North Carolina to bring back a remounted ambulance.

By remounting an existing "box" to a new chassis, the district can save about 50% of the cost of a new ambulance build.

These remounts are not lacking in safety or functionality. An additional remount will arrive in Summer 2024.

January Staff Meeting

Every month, a meeting is held in the training room to discuss old and new business. An open forum meeting to address achievements and areas of opportunity for improvement. At every meeting, the district attempts to have some kind of training. This month, Trooper Robbi Rodriguez taught common Spanish phrases that we may use to speak to Spanish-speaking patients and families to help in assessment and treatment. Effective communication is key, SCAD takes pride in taking the extra step to make that as easy as possible for patients.

Upcoming events and classes

- Feb.12th- Billing office closed.
- Feb.19th- Billing office closed.
- Feb.20th-Dexter Fire Dept. CPR Class

“WE BELIEVE THAT ALONE WE ARE POWERFUL AND TOGETHER WE ARE UNSTOPPABLE”

EMPLOYEE SPOTLIGHT

Every month, peers nominate a “spotlight employee.” For the month of January, that employee was Emily Wolfe. Emily is a certified emergency dispatcher, and a licensed EMT-B. She has been with SCAD since 2020. Emily is also a member of the SCAD Special Response team. Emily is a good example of the benefit of cross training and taking the opportunity to learn new things.
