Welcome to the first issue of the Stoddard County Ambulance District Newsletter!

A "Frontline Scoop" of what's happening in the service.

The goal of the monthly newsletter is to inform the county residents of upcoming events and an overview of the prior month's happenings, including education opportunities and public events. We hope you enjoy it!

Trunk or Treat 2023

The 2023 trunk or treat was a success once again! We loved seeing everyone come out with their kids and family and share in the spooky fun! Keep an eye out on the website for photos!

**"WE BELIEVE
THAT ALONE
WE ARE
POWERFUL
AND TOGETHER
WE ARE
UNSTOPPABLE"**

EMPLOYEE SPOTLIGHT

Every month, peers nominate a “spotlight employee.”

For the month of October, that employee was Mollie Whitehead. Mollie has served the county since 2021 and is an EMT-B and is one of two EMT field training officers. The FTO role includes training new EMTs in Stoddard County protocols and patient reporting. Mollie is also a member of the Stoddard County Ambulance special response team.

HOMELAND SECURITY RESPONSE TEAM

Stoddard County Ambulance has twelve members that serve on the Region E HSRT (Homeland Security Response Team)

A specialized team comprised of multiple emergency response services who are called to respond to a variety of incidents including. Search and rescue, hazmat spills and clean-up.

Stoddard County also houses the HSRT large tents used for emergency medical attention. (Think mobile ER)

in October members of the team joined in a simulated heavy lift rescue at Buzzi Unicem in Cape Girardeau. The team participated in removal of heavy equipment and extrication of patients.

OUR MISSION

“It is the mission of the Stoddard County Ambulance District to employ highly trained individuals who will provide high quality patient care and rapid responses to those in need. We strive to continually grow and improve in an ever-changing medical world through education for EMS personnel and for our community. Our goal is to give of ourselves and be ready at all times to provide the best care possible while treating our patients with compassion, dignity, and respect.”
