Welcome to the sixth issue of the Frontline Scoop!

The month of March was very a productive one for Stoddard County Ambulance! We are looking forward to April. The Shamrock Charity Run was a big success and over \$2500 was raised and donated to Stoddard County Childrens Home. The race had 68 participants with over 80 registered! We look forward to repeating this event every year and raising money for local charities.

Check out the website for photos of runners and to keep up to date on upcoming events and education opportunities.

March Staff Meeting

Every month, a meeting is held in the training room to discuss old and new business, an open forum meeting to address achievements and areas of opportunity for improvement.

At every meeting, the district attempts to have a form of training. This month, clinical lead F.Harwood, EMT-P taught the use of Nitroglycerin in patients with pulmonary edema, documentation was discussed and preceptor training was completed for upcoming students coming to SCAD for clinicals. Providing positive educational environment is important to SCAD.

Upcoming events and classes

- April 8th Solar Eclipse
- April 13th-Community Pinwheel Walk
- April 15-20 Comms. Week
- April 17th Board Meeting
- April 22nd First Responder Class Starts

“WE BELIEVE THAT ALONE WE ARE POWERFUL AND TOGETHER WE ARE UNSTOPPABLE”

EMPLOYEE SPOTLIGHT

Every month, peers nominate a “spotlight employee.” For the month of March that employee was Celina Adams. Celina is the Administrative Assistant for the District and has been with SCAD since 2021. She and her husband are expecting their first child in April. Celina says her favorite part of working for the district is the camaraderie. We are proud to work with Celina.

Awareness Month

April is National child Abuse Awareness month and is also Autism Awareness month. Community Pinwheel walk will be held at West Park in Dexter on April 13th from 10am to Noon. No registration needed.

Autism is a condition that affects millions of people around the world. Understanding and celebrating differences can create a more inclusive and compassionate society.
